Warranty Period

5. Warranty period for **Wekah's** products is one (1) year commencing from the date of purchase noted on the invoice.

Scope of Warranty

6. During the Warranty Period and subject to normal and reasonable use of the product, **Wekah** warrants that the product will be free from defects in material and/or workmanship (hereinafter "**Defect**"), and will comply with the specification included in the documentation supplied with it. However, **Wekah** does not warrant that the operation of the product will be uninterrupted or error free, as a result of circumstances unrelated to the product's manufacturing process or as a result of external circumstances.
7. **Wekah** will repair any Defect, as defined above, discovered in the product or to replace the product, to the extent required, subject to **Wekah's** sole and absolute discretion, with no charge (except as detailed under clause 12), within 30 business days from the date the product brought to **Wekah's** service lab, using new and original spare parts to the extent required.
8. Notwithstanding anything to the contrary herein, **Wekah** shall be entitled to charge customer for repairs or replacements carried out on the product if required under one or more of the following circumstances: (a) Force majeure; or fire/water damage / sabotage / breaks / cracks/ accident; or

electrical disturbances; (b) Customer's malice or negligence, including unreasonable use or use of product contrary to user guide instructions; (c) Repairs or modifications in product carried out by parties unauthorized by **Wekah**.

9. The product specification and additional instructions are included in the user guide as well as on the company's website.
10. A service during the Warranty Period will be provided upon presentation of this Warranty Certificate signed by the vendor together with the original purchase invoice of the product.
11. In the event of a product failure, please contact our phone-in support center first, to obtain initial assistance. If the problem cannot be solved over the phone, you will be referred to the local authorized distributor to the extent exist, In the absence of such distributor, service under this Warranty Certificate shall be provided by **Wekah's** service lab at: 30# ha'hartzit st. Zoran 4282300 Israel.
12. All the costs involved with transporting the product to and from the service lab shall be borne by the customer only.

Limitation of Liability

13. **Wekah** does not warrant fitness of the product for a particular purpose, except as provided in the products' data sheet. .
14. **Wekah** shall not be liable to the customer or any third party for indirect or consequential damages, whether or not caused by use of the product, product faultiness, or actions taken in servicing the product.

Post-Warranty Service

15. A repair service for product whose Warranty Period has expired will be provided in return for payment. Repairs may be carried out by replacing the product or its components with an alternative refurbished product. The alternative product or part may be reconditioned or used, but will in any event be functionally equivalent or superior to a new unit. Clauses 8,13, and 14 will remain in force after expiry of the Warranty Period and will apply to servicing carried out for payment (with the applicable changes).
